Alpine Elementary School

Address: 1850 Alpine Blvd. Alpine, CA. 91901
Principal: Bill Cudog

Phone: 619-445-2625
Grade Span: 1st – 5th

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. The data presented in this report are reported for the 2009–10 school year, except the School Finances and School Completion data that are reported for the 2008–09 school year. For additional information about the school, parents and community members should review the entire SARC or contact the school principal or the district office.

About This School

Alpine Elementary School was first built in 1953 with 7 classrooms. Over the past 55 years, 21 classrooms were added of various constructions. In 2003 the campus went through a modernization of most its classrooms, auditorium, library and office space. Because of the large number of classrooms, we use those that aren't currently housing classes to support a computer lab, copy room, art docent room, music, and science rooms.

Academically, AES presents a strong core program in Reading, Language Arts and Mathematics. All grades level their students for reading instruction for almost an hour a day. In grades 2, 3, 4 and 5 students receive at least a portion of math instruction in leveled classes. Science and social science instruction in the afternoon. All grades use the SPARKS physical education curriculum for weekly P.E. instruction. Classroom music instruction is provided each week of the school year and strong Art Docents assist all classes with art instruction. Our school wide Character Education program is organized under the Quantum learning model.

AES was first a K-8 school and reorganized in various arrangements of grades. In 1990 the 3rd elementary was completed and AES became a K-5 program. Because enrollment had grown to the point of overcrowding, and another campus vacated with the completion of a new middle school, a kindergarten only school was started to relieve over crowding at the elementary schools. Since 2004, Alpine has continued to experience a decline in enrollment. We are currently at 388 students in grades 1 – 5 for the 2010/2011 school year.

School Accountability Report Card

Reported Using Data from 2009–10 School Year

Published During 2010–11

The School Accountability Report Card (SARC), which is required by law to be published by February 1 of each year, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2009–10)

This section provides information about the school, its programs, and its goals.

Alpine Elementary currently services 388 students in grades 1 through 5. We have 16 classrooms and 20 credentialed teachers. The campus was first established in 1953 and has had several additions over the years. Almost the entire campus was involved in a "modernization" remodel in 2004. The Alpine Elementary attendance area has traditional neighborhoods and open rural spaces. Most of the attendance area is offered free bussing to and from school.

We service most of the elementary students from the Viejas Reservation, we have LEP population of about 8% and about 23% free and reduced lunch. The school climate is very safe and orderly with a learning atmosphere that challenges all levels of students. Parent involvement is high and student performance has been high. The mission statements were revised in the fall of 1995 and will provide a focus on the schools in developing their own individual programs that reflect their needs. The adopted Mission Statements are as follows:

All students will become literate.

Maximizing the talents and potential of each student will prepare them to be responsible, productive, educated and well-rounded citizens.

Recognize and support the uniqueness of individuals (students, staff and the Board).

Provide positive school environment which is safe and secure.

Draw upon the community resources to enhance the educational program.

Provide opportunities for students to be technologically literate.

Provide a balanced program which incorporates visual and performing arts.

Provide a consistent program of education and acknowledge those who participate, reward those students who give their best effort and those staff and Board members who excel.

Opportunities for Parental Involvement (School Year 2009–10)

This section provides information about opportunities for parents to become involved with school activities, including contact information pertaining to organized opportunities for parental involvement.

Parent involvement at Alpine Elementary is very high from the occasional field trip or class party to volunteering in the classroom weekly. The students at AES have a much more enriching experience because of the numbers of volunteers at school on a regular basis.

Formal parent involvement opportunities are the PTA Board and the School site Council. The SSC monitors the school programs and the PTA organizes activities and events for the students, parents and staff. Both are very active.

Student Enrollment by Grade Level (School Year 2009–10)

This table displays the number of students enrolled in each grade level at the school.

III. School Climate

School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

The school safety plan is updated annually to reflect changes in staff, building or procedures. The plan lists important information that can be a resource to school, sheriff and fire officials. The plan also contains various procedures to safely deal with any situation. We practice each of the procedures during the year.

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10

Expulsions	0.0	0.0	0	0.0	0.1	3

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2010-11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

The facility meets standards and is in exemplary condition

School Facility Good Repair Status (School Year 2010–11)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

System Inspected	Repair Status				Repair Needed and Action Taken or Planned

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District

Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence	0	0	0	n/a

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: *Total Teacher Misassignments* includes the number of *Misassignments of Teachers of English Learners*.

Indicator	2008–09	2009–10	2010–11
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2009–10)

This table displays the percent of classes in core academic subjects taught by Highly Qualified Teachers as defined in the Elementary and Secondary Education Act (ESEA), in a school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals

program. Low poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under the ESEA can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	100.0	0.0
All Schools in District	100.0	0.0
High-Poverty Schools in District		
Low-Poverty Schools in District	100.0	0.0

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2009–10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	
Counselor (Social/Behavioral or Career Development)	.1	n/a
Library Media Teacher (librarian)	0	n/a
Library Media Services Staff (paraprofessional)	.47	n/a

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2010–11)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and/or Instructional Materials	Most Recent SBE or Local Governing Agency Approved Textbooks and Instructional Materials
Reading/Language Arts	Yes	0.0	Houghton Mifflin
Mathematics	Yes	0.0	Houghton Mifflin
Science	Yes	0.0	Delta Ed.
History-Social Science	Yes	0.0	Scott Foresman

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008–09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$6,172	\$654	\$5,518	\$70,151
District	N/A	N/A	\$5,293	\$67,013
Percent Difference – School Site and District	N/A	N/A	+4.3%	+4.7%
State	N/A	N/A		\$66,351
Percent Difference – School Site and State	N/A	N/A		+5.7%

Types of Services Funded (Fiscal Year 2009–10)

This section provides information about the programs and supplemental services (e.g., information about supplemental educational services related to the school's federal Program Improvement status) that are provided at the school through either categorical funds or other sources.

In addition to state and local revenues received for general education, Alpine Union School District receives state and federal funds for School Improvement, Title 1, Gifted and Talented Education, Special Education and Indian Education. California State Lottery Funds have been allocated to support such programs as 6th grade camp, transition, curriculum and staff development, student transportation, student testing and computer support.

Teacher and Administrative Salaries (Fiscal Year 2008–09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$38,835	STATE INFORMATION NOT AVAILABLE AT THIS TIME
Mid-Range Teacher Salary	\$59,718	
Highest Teacher Salary	\$86,060	
Average Principal Salary (Elementary)	\$103,961	
Average Principal Salary (Middle)	\$109,394	
Average Principal Salary (High)	N/A	
Superintendent Salary	\$145,289	
Percent of Budget for Teacher Salaries	51.3%	
Percent of Budget for Administrative Salaries	5.8%	

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The assessments under the STAR program show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-

social science in grades eight, and nine through eleven. The CAPA includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA is an alternate assessment that is based on modified achievement standards in ELA for grades three through nine, mathematics for grades three through seven and Algebra I and science in grades five, eight, and ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. On each of these assessments, student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute AYP designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found on the CDE California High School Exit Examination (CAHSEE) Web site at <http://cahsee.cde.ca.gov/>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

California Physical Fitness Test Results (School Year 2009–10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found on the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	8	8	8
Similar Schools	6	6	6

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years.

Note: "N/A" means that the student group is not numerically significant or data were not available.

Group	Actual API Change		
	2007–08	2008–09	2009–10
All Students at the School	4	32	21
Black or African American			
American Indian or Alaska Native

Adequate Yearly Progress

The federal Elementary and Secondary Education Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found on the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2009–10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the six AYP criteria described above.

AYP Criteria	School	District
Overall	Yes	Yes
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes
API	Yes	Yes
Graduation Rate	N/A	N/A

Federal Intervention Program (School Year 2010–11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found on the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	Not in PI	Not in PI
First Year of Program Improvement	N/A	N/A
Year in Program Improvement	N/A	N/A
Number of Schools Currently in Program Improvement	N/A	N/A
Percent of Schools Currently in Program Improvement	N/A	N/A

XI. School Completion and Postsecondary Preparation

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the General Admissions Information Web page at <http://www.universityofcalifornia.edu/admissions/general.html>. (Outside Source)

California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web page at <http://www.calstate.edu/SAS/admreq.shtml>. (Outside Source)

Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period for which data are available. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Indicator	School			District			State

Career Technical Education Programs (School Year 2009–10)

This section provides information about the Career Technical Education (CTE) programs and lists programs offered by the school district that are aligned to the model curriculum standards. The list should identify courses conducted by regional occupational centers or programs and those conducted directly by the school district. This section provides a listing of the primary representative of the career technical advisory committee of the school district and industries represented. **N/A**

Career Technical Education Participation (School Year 2009–10)

This table displays information about participation in the school's CTE programs.

Measure	CTE Program Participation
Number of pupils participating in CTE	N/A
Percent of pupils completing a CTE program and earning a high school diploma	N/A
Percent of CTE courses sequenced or articulated between the school and institutions of postsecondary education	N/A

Courses for University of California and/or California State University Admission (School Year 2009–10)

This table displays, for the most recent year, two measures related to the school's courses that are required for University of California (UC) and/or California State University (CSU) admission. Detailed information about student enrollment in, and completion of, courses required for UC/CSU admission can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

UC/CSU Course Measure	Percent
Students Enrolled in Courses Required for UC/CSU Admission	N/A
Graduates Who Completed All Courses Required for UC/CSU Admission	N/A

Advanced Placement Courses (School Year 2009–10)

This table displays, for the most recent year, the number of Advanced Placement (AP) courses that the school offered by subject and the percent of the school's students enrolled in all AP courses. Detailed information about student enrollment in AP courses can be found on the CDE *DataQuest* Web page at <http://dq.cde.ca.gov/dataquest/>.

Subject	Number of AP Courses Offered	Percent of Students In AP Courses
Computer Science	N/A	N/A
English	N/A	N/A
